Barnes advised Council that preliminary discussions have begun with the Borough of
Swedesboro for an Interlocal Service Agreement to perform their trash collection. Will
keep Council posted on the progress. This had always been a vision for a platform base,
similar to the EMS, to be able to continue to increase the efficient use of our resources.
Not only save neighboring towns money, but to also save our residents tax dollars.

Chief Schmidt advised there is an ongoing investigation on home burglaries in the
Beckett section of the township. Mainly daytime break-ins when houses are empty.

Theft of smaller items; no confrontations. There will be a Press Release in the Thursday newspaper. Stressing residents to be aware and report any suspicious activity immediately to the Police.
