

TOWNSHIP OF LOGAN

April 2014

Dear Logan Township Resident,

Effective April 28, 2014, Logan Township will be modifying our program for the collection of yard waste. Automated yard waste carts similar to our trash and recycling carts will now be utilized. The program is significantly more cost effective and will provide a cleaner, more attractive community.

The transition will mean some changes in the collection routine for all of us. The attached information details those changes.

Township provided Collection Carts must be used for yard waste beginning the week of 4/28/14.

QUICK SUMMARY

- ONLY Township provided yard waste containers may be utilized. Additional and/or non-automated carts will not be able to be emptied.
- Material must be able to fit into the carts with the lid closed.
- Branches, logs, and stumps may continue to be placed outside of the carts, tied and bundled in four (4) foot lengths and less than twelve (12) inches in diameter.

If you have any questions, please call the Department of Public Works Office at 467-0859.

Please refer to the Township web site for updated information

TOWNSHIP OF LOGAN

ABOUT THE NEW AUTOMATED YARD WASTE COLLECTION SYSTEM

The Cart

The Township purchased and distributed the new yard waste carts that are specially constructed to be used in an automated or semi-automated collection system. The cart is designed for ease of handling, durability and has a lid which keeps odors in and moisture out. **It is the only container that can be used with the new system.**

The cart is being provided by the Township and has a serial number that corresponds to your address. The cart is the property of the Township. If a resident sells their property, the cart will remain at the address originally assigned to the container.

DO NOT REMOVE CARTS FROM RESIDENCE

All residences have received a 95 gallon cart for yard waste.
No other sizes are available.

Yard Waste Schedule

Yard waste will **ONLY** be picked up the 1st Monday of the month during January, February & December. During the months of March through November, yard waste will be picked up every Monday. Yard waste consists of grass clippings, brush and leaves. These items should be placed in the new yard waste containers provided by the Township. Leaves may also be placed in biodegradable paper leaf bags during the months of October, November and December only. All Carts must be properly placed at the curb by no later than 6AM on the day of pickup.

DO NOT USE PLASTIC BAGS

**CHRISTMAS TREES WILL BE PICKED UP ON TWO MONDAYS DURING THE MONTH OF JANUARY AND MAY BE LEFT WHOLE.
(REFER TO YARD WASTE SCHEDULE FOR DATES)**

TOWNSHIP OF LOGAN

Grass clippings, leaves, loose brush, branches and bushes must be placed inside of the yard waste container provided by the Township. The lid must be able to close.

Additional branches, logs, tree trunks or stumps may be cut into four (4) foot lengths, bundled and tied.

Any bundles, logs or stumps larger than twelve inches in diameter WILL NOT BE ACCEPTED.

No grass clippings or other loose debris can be placed outside of the Township provided yard waste container.

Holiday Collection

Holiday schedules are printed each year in the New Town Press and located on our web site:

www.logan-twp.org

Cart Placement

Please place trash and recycling carts at least four feet apart from each other and clear of any stationary objects (cars, trees, electrical boxes, mail boxes, etc.) Carts should be placed as they are with trash and recycling carts with the wheels against the curb.

Disposal of old containers

The Township will pickup outdated containers

Questions

If you have any questions, call the Department of Public Works 467-0859.
