Dear Logan Township resident:

The Logan Township Council is excited to introduce a new Township sponsored employment opportunity tool. In the coming weeks, we will be launching the Logan Township Employment Portal, a Web-based job portal designed specifically to connect our Township residents and businesses.

A recent study revealed that there exists over 10,000 jobs in Logan Township, but only approximately 500 are filled by Logan Township residents. With Council's goal of 0% unemployment in Logan Township, we decided to create a direct employment portal which will connect qualified candidates with local Township businesses. We worked closely with Logan Township businesses to customize this portal to meet the employment needs of our community.

The portal will be free for job-seekers and function similarly to the major commercial job portals, allowing you to search and filter open positions, as well as create a custom profile that will showcase your strengths to potential employers.

If you would like to be one of the first notified when the Logan Township Employment Portal goes live, please fill out the contact form on our website (www.logan-twp.org/jobs). If you have any questions about the portal, please contact my assistant, Jared Rollins, by email (jrollins@logan-twp.org) or phone (856-467-3424, ext. 3003). We are proud of all that Logan Township has to offer and excited to bring this custom employment portal to our residents and neighbors.

Regards,

Frank W. Minor
Mayor, Logan Township
