Dear Logan Township resident:

The Logan Township Council is always looking for ways to use our resources to help our residents and community. With an overwhelming portion of the industry in Logan being food-related, we saw an opportunity to address a serious issue for some of our residents. We are pleased to announce that we have partnered with members of our business community to start a food donation program to help Logan Township residents in need of food assistance.

Participating Logan Township businesses will be donating their excess food products to be included in care packages that will be distributed monthly on a “first come-first served” basis since supplies may be limited. Residents needing food assistance will be able to pick up a care package for their household from our Municipal Building (125 Main Street, Bridgeport). Please check the Township website and social media for the monthly food donation dates.

The first of these care packages will be distributed on **Wednesday, December 5th 2018 between 5:30pm and 7:00pm** in our Multipurpose Room. If you are a Logan Township resident in need of food assistance, please contact my assistant, Jared Rollins, by email (jrollins@logan-twp.org) or phone (856-467-3424, ext. 3003) to be included in the program. Please include your name, address, phone number and email address. Proof of Logan Township residency will be required to pick up your care package.

If you have any questions about the food donation program, do not hesitate to contact me or my assistant, Jared Rollins.

Regards,

Frank W. Minor
Mayor, Logan Township
